Site	Website	Description
<b>SAHMRI</b>	<a href="https://www.sahmri.org/">https://www.sahmri.org/</a>	SAHMRI is South Australia's first independent flagship health and medical research institute. We're home to more than 600 medical researchers, working together to tackle the biggest health challenges in society today.
<b>Helping Hand - Lightsview</b>	<a href="http://www.helpinghand.org.au/services/residential-care-homes/lightsview/">http://www.helpinghand.org.au/services/residential-care-homes/lightsview/</a>	Helping Hand is a not-for-profit organisation offering home care services, retirement living and residential care homes. The site at the Lightsview precinct only 8km from the CBD, our state-of-the-art facility was created by leading Australian architects. The multi-million dollar complex is designed to encourage those wanting to continue living the life they enjoy. Boasting 110 modern and spacious residential rooms, each making the most of the natural light through their northern or southern orientations. Each wing offers its own centrally connected dining and lounge areas with accessible courtyards and gardens.

<b>ACH Vita</b>	<a href="http://achgroup.org.au/health-and-wellbeing/restorative-care-vita/">http://achgroup.org.au/health-and-wellbeing/restorative-care-vita/</a>	ViTA is a progressive partnership between ACH Group, the South Australian Government Health Department and Flinders University. Established in 2014, the 120 specialist bed facility combines best practice approaches to health and aged care with a focus on teaching and research – optimising health and wellbeing outcomes for people. Comprising long term, short term, transitional care and rehabilitation places, ViTA demonstrates real innovation. Services are individually tailored to suit the circumstances and future needs of each person.
<b>Resthaven</b>	<a href="https://www.resthaven.asn.au/">https://www.resthaven.asn.au/</a>	Resthaven was established in 1935 to provide support and services to older people.  We deliver high quality residential and community aged care services throughout metropolitan Adelaide and regional South Australia. Resthaven offer a vast variety of residential services including retirement living and aged care.
<b>Tonsley Innovation Precinct</b>	<a href="https://tonsley.com.au/">https://tonsley.com.au/</a>	Home of the first physical footprint of the Ageing Well Living Laboratory, Tonsley brings together leading-edge research and education institutions, established businesses and start-ups, business incubators and accelerators as well as government and the wider community to connect and collaborate in Australia’s leading innovation district.
